Argraffu Cyanotype

Drwy ddefnyddio siapiau a delweddau sydd wedi'u hysbrydoli gan ein harddangosfa 'Forest + Found: Walking the Line' byddwn yn creu argraffiadau cyanotype. Bydd y dechneg hon yn cyflwyno hanfodion y broses ffotograffiaeth i fyfyrwyr wrth i argraffiadau gael eu datblygu gan ddefnyddio golau haul. Byddwn yn addurno'r delweddau hyn gyda dyfrlliwiau a llinellau main i greu darnau cywrain wedi'u hysbrydoli gan y dirwedd.

Addas ar gyfer disgyblion ysgolion cynradd ac Uwchradd.

Ar gyfer pob ymholiad anfonwch e-bost at Emma Baker ar EJBaker@sirgar.gov.uk neu ffoniwch 01267 222775 www.orielmyrddingallery.org.uk

Ymddiheurwn nad yw'r gofod stiwdio ar y llawr cyntaf yn hygyrch i'r rheini a symudedd cyfyngedig.

Schools Programme Summer 2019

Cyanotype Printing

Using shapes and images inspired by our exhibition Forest + Found: Walking the Line, we will create beautiful cyanotype prints. This technique will introduce students to the basics of the photography process as prints are developed using sunlight. We will then embellish these images with watercolour and fine liner to create intricate pieces inspired by the landscape.

Suitable for Primary and Secondary students.

For all enquiries please email Emma Baker on EJBaker@carmarthenshire.gov.uk or telephone 01267 222775 www.orielmyrddingallery.org.uk

We apologise that the studio space on the first floor is not accessible to those with restricted mobility.
